

OREGON  
**RIGHT  
TO LIFE**

BECAUSE **EVERYONE** DESERVES AN ADVOCATE

Dear

Election season can be overwhelming, with plenty of races, names, and promises shouting for our attention. But if there could be one election race we ask you to remember, it is Darin Harbick's.

Darin is running for state representative of House District 12, which serves the people of rural Lane County.

Why is his race so important for all Oregonians?

He is running against the only pro-abortion Republican serving in the Oregon legislature, Charlie Conrad.

When Conrad voted to expand abortion last year under the radical bill HB 2002, we knew he had to learn his radical positions have consequences. And so we worked hard to find a stellar, pro-life candidate who could challenge Conrad's seat in HD 12.

It's hard not to get excited when you find a candidate like Darin Harbick. Not only is Darin a successful businessman, devoted husband and father, and involved member of his community, but he is also a faithful pro-life advocate.

The best part? Harbick can win this election.

But we can't do this without your help!

Your donation will be immediately put towards helping our team reach more people by knocking on doors, texting, and mailing thousands of pro-life voters in the district. The equation for winning this race is simple: the more people reached, the more votes for Darin Harbick.
