Subject: Wednesday Action: Help pass the HEROES Act

This week's Wednesday Action is an opportunity to reach beyond our state and help get relief for workers and public services across the nation, including here in Oregon. The U.S. House of Representatives passed the HEROES Act, a \$3 trillion COVID-19 recovery package to help support workers and local communities, on May 15th, but the Senate has yet to consider the legislation. The HEROES Act would provide the funding our state needs to avoid drastic cuts to public services. Oregon Senators Jeff Merkley and Ron Wyden both support the HEROES Act, but the same can't be said for their colleagues.

SEIU launched an Adopt A State program where members from states like Oregon can reach out to voters in swing states and convince them to demand that their Senator support the HEROES Act. SEIU 503 adopted Colorado and Senator Cory Gardner.

We'll have a phone bank targeting Colorado voters and Senator Gardner next Thursday, July 16th, from noon to 3 p.m. There will be a brief training session prior to the phone bank and staff will be available if you have any questions or issues.
